

Version 1.2 (update 11/13/2018)

Hello,

Enclosed is the “fan kit” with which you can create your own adventures within the universe of the game *The 7th Continent*.

This kit contains the following folders:

- card_backgrounds: card backgrounds for cards containing text;
- blocks_banners: graphic blocks and banners;
- action_icons: all action icons (action, compulsory action, unavailable action, action condition);
- flag_icons: blue (Item cards) and violet (Clue cards) flags;
- other_icons: all other icons;
- terrain_assets: graphical assets that can be seen on *Terrain* cards;
- logos: the game's logos.

The “FAN-MADE” icon has been added to identify the cards as unofficial content.

The following font styles are under license and can be purchased. We are listing them in case you are interested in purchasing them. Feel free to use alternative, free fonts.

- flavor text: *Segoe print regular*
- effects: *Din pro condensed medium*
- card numbers (numbox): *Plantagenet*
- titles: *Badhouse light*
- curse titles: *Trade winds*
- card numbers (numbox): *Plantagenet Cherokee*

Important information

The elements in this kit are strictly limited to personal, non-commercial use.

Any commercial use, including not-for-profit, is forbidden. However, you may freely share the files created with the elements contained in this kit.

If you share contents using elements from this kit, please clearly state that they are fan-made, unofficial creations for the game *The 7th Continent*.

Use of this fan kit is strictly limited to the creation of expansions for the game *The 7th Continent*. Any other use is forbidden.

The company Serious Poulp disclaims all responsibility as for the contents that you share. You are then to make sure they are legal and you own the rights for every single element you use (artwork, texts and other possibly protected contents).

Thank you!
